Striking New 'Emotion' flatware from Hepp in Germany

Only at
GIBPAT

What a relief

Hepp have introduced a seductive new relief pattern on a new collection of flatware. Designed to invoke a new emotion when using table accessories, the soft raised pattern flows over both sides of the handle. The new flatware named Emotion is a fully developed range encompassing 16 pieces and is available in either 18/10 stainless steel or silverplate finishes.
