Drop in, plug in, light up

Combine options for more flexibility

The traditional bain marie

Ever thought of putting one on a trolley too?

flexibility

Build In

Chafers that are made to build into your counter top.

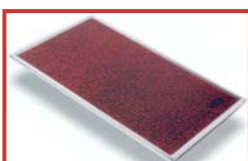

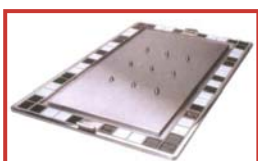

Plug In

Glass hot plates that come as portable units. Another portable unit takes a ceramic carvery hot tile or GN 1/1, 1/2 and 1/3 dishes.

Drop In

Glass hot plates and ceramic carvery hot tiles drop straight into existing GN 1/1 wells.

Light Up

Fuel heated chafers. The essential for outdoor catering or extending indoors.
