Operating for over 140 years, Frette search the globe for the finest threads. Frette stands for “quality” and their products offer unsurpassed durability. This means a longer lasting product that will withstand more washes and **save you money.**

Frette’s attention to detail in both the finishing and colouring processes is second to none.

Frette produce a total concept in linen. They make to order, so you can choose your pattern, or incorporate your property logo. Frette offer a touch of luxury.
